COMMENCEMENT EXERCISES AT TELSTAR R. H. S. FRIDAY EVENING

The 1970 commencement exercises for Telstar Regional High School will be held in the school's gymnasium at 8 o'clock Friday evening, June 12. Miss Margaret Joy Tibbetts, Deputy Assistant Secretary of State for European Affairs will be the commencement speaker.

COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

Our Police Chief, Joseph Smallwood, resigned Wednesday, effective immediately. The reason given was lack of cooperation by town officials. R. Glenn Murphy, the newly appointed spare officer is now on full-time until a replacement can be found.

The tarring operations are being held up as the screen we have usually used is in full-time use by the owner. It is the only one in the area, therefore, we will have to find one somewhere else. Our roads did not break up as much as we expected they would after the heavy rains of last fall. There will be more mulching done than sealing this year.

Considerable interest is being expressed in erecting a base on the Common to mount the old bell that was in the original fire station. Members of the fire department, Historical Society and town officials will investigate the possibilities of various designs that may be presented.

CAPACITY AUDIENCES ENJOY PERFORMANCES OF "COPPELIA FOR STUDENTS"

"Coppelia for Students," the re-entitled work of the Bethel Children's Dance Theatre, was successfully presented to capacity audiences in matinee and evening performances last Friday and Saturday, June 5 and 6. In addition, a special show was performed for the Head Start Children and Senior Citizens Organization on Thursday, June 4.

The talented youngsters of the Dance Theatre, expertly coached in pantomime as well as dance by director and choreographer, Mrs. Susan Farrar, unwound the fascinating tale which revealed Coppelia as a life-sized doll. Although not a word was spoken, these students of all ages spun the tale in music and dance through an entire 2 and one-half hour delightful presentation.

The Children's Dance Theatre of South Paris will present their version of this show in a matinee on Friday, June 12, at 3:30 p. m., and on Saturday, June 13, at 8 p. m., at Oxford Hills Auditorium. Members of the Bethel troupe who will perform with them are Bobby Tift, Dean Walker, Cynthia Tift, Cheryl Wight, and Lisa Farrar.

STATE LEGION CONVENTION AT FAIRFIELD JUNE 18-21

Plans are in full swing for the state convention of the American Legion Department of Maine to be held in Fairfield, June 18-21, with Grover-Hinckley Post as host.

The business sessions, which will be held at Lawrence High School, will include the election of officers for the ensuing year, election of delegates and alternates to the national convention, and other business presented by the delegates.

Each post numbering over 15 paid up members is entitled to one delegate and one alternate, all having the power to vote.

Collins, commander of the Brunswick Naval Air Station, will speak Saturday. RECEIVES CITATION — Colista C. Morgan, Greenwood City, received a citation at the commencement exercises of Farmington State College of the University of Maine, which is as follows:

Because through forty-three years of teaching, her own accomplishments and satisfactions have been so closely identified with those of the pupils she has loved, because her one room schoolhouse has symbolized to her former pupils the security and challenge of their happy start in life, because she has resourcefully met the challenge of a wide range of pupil needs, because her dedication to the best interests of professional and community has kept her young and because she has often written about Maine, this Citation for Meritorious Service is awarded with gratitude and esteem.

Man's protection from enemies, in-

out in a Christian Science Lesson-
Service titled "God the Preserver of
Man" to be read this Sunday.

One Bible citation from Psalms
states: "If I take the wings of the

parts of the sea, Even there shall
thy hand lead me, and thy right
hand shall hold me."

A corresponding statement of God's
ever-present care from "Science and

LETTER TO THE EDITOR

June 8, 1970

Editor
Bethel Oxford County Citizen
Bethel, Maine
Dear Sir:

On Monday, June 15, 1970, the
voters of Maine will be asked to de-
cide on a number of referendum it-
ems—among them funds for the Uni-
versity of Maine System and the
vocational schools. Since some type
of post-high school educational ex-
perience is becoming (has become?)
absolutely necessary to ensure and
hold a good job, it is so vital that
these two items be approved. Fail-
ure to approve the University of
Maine funds will result in the inabil-
ity of the System to absorb the ap-
proximately 1200 additional qualified
applicants who seek entrance each
year. Failure to approve funds for
the vocational schools will result in
the inability of these facilities to pro-
vide more varied training programs
for their students.

As a former student at Gorham
State College and currently a teach-
er and graduate student at the Uni-
versity of Maine, Orono, I am acutely
aware of the crowded and unev-
en facilities that plague these in-
stitutions. Since 1964 the enrollment
in the University of Maine System
has increased from 7,801 to 15,000 in
1970; facilities have not entirely
kept pace with this tremendous rise
in enrollment. It is then essential
to the future of higher education in
Maine that funds for these two sys-
tems be approved by the voters since
they have already been stamped
"yes" by the legislature.

Sincerely yours,
East Bethel Stanley Howe

May 29, 1970

Dear Bethel Citizen,
I have heard that Bethel is now
experiencing narcotics amongst our
young people. It is a terrible thing
to see a buddy turn into a walking
"nothing." I am here in Ludwig-
burg, Germany and we too are ex-
periencing it, but to a much greater
degree. I believe that most of the
younger set try narcotics because
they don't want to be left out and
furthermore, are ignorant to the pos-
sible consequences. Many use nar-
cotics as an escape. It is not a real
escape, only a temporary feeling of
escape.

I hope you can print this, with the
UPI article enclosed, that the peo-
ple of Bethel might realize and
share concern for the narcotic prob-
lem and finds its extinction.

Yours truly,

'Dope Ruined My Life'
Tacoma, Wash. (UPI)—A railroad
employee found the well-dressed body
of a young man in a corner of an
empty boxcar behind the Union Pa-
cific depot.

In the jacket pocket were an em-
pty pill bottle and a billfold identifi-
ing the youth as Richard Allen Hon-
son, son of a suburban Tacoma cou-
ple. His body was found about 9:30
p. m. Saturday.

When the body was moved, a sul-
lible note was found. It said:
"Dear Father:
"I think you know the reason I've
done this. Dope ruined my life and
took away my happiness forever. I
could never live in the state of mind
I was in.

"Please don't hate me too much
for what I have done. I thought I
found truth in what I was doing, ex-
periencing life. But I found out it
was death I was tripping on.

"Dad, I hope to find happiness
now even though I destroyed my
life and others with it.
"I hope to God people taking dope
find what I found in it sooner than
I did

Goodbye, Father your son,
love, Ricky"

SHERIFF'S DEPT. REPORT—1969

Sheriff W. Stanley Haskell has an-
nounced that his department has
completed the yearly report for the
year 1969 and the figures as of Dec-
ember 1969 are now complete.

"In the year of 1969 we had 5,146
calls of an official nature. Of these
calls, 368 were criminal complaints,
1,494 were assistance calls for other
agencies and under the heading of
all other calls is the figure of 2,876.
The assistance calls were mainly
from other law enforcement agen-
cies but ranged from inquiries about
inmates being held to auto accidents,
ambulance requests and many other
non-titled calls.

In the assistance to other agencies,
all unattended deaths, lost persons,
missing persons, inquiries from the
military and FBI, assistance to the
elderly and sick and various other
assistance and requests for help.

This reflects 99 calls a week or
slightly more than 14 calls a day, 7
days a week.

A total of 399 complaints (26% of
all complaints issued by the 11th
District Court) were drawn by the
Sheriff's Department. This does not
include the liquor violations which
totaled 314 and which the Sheriff's
Department had 147. We had 22 im-
paired driving cases (30%), 124 in-
toxication cases (67%), 50 illegal
transportation/illegal possession cas-
es (55%) and 18 procuring or fur-
nishing intoxicating beverages for a
minor cases (60%). We handled

59 juvenile cases or (61%) of all the
juvenile cases before the court. The
majority of the juvenile cases were
in the felony class.

This is a substantial increase over
the preceding years and the outlook
for this year is that these figures
will go even higher.

It was noted that of the 269 crim-
inal complaints that resulted in in-
vestigating an investigation 124 were
successfully resolved for a total of
46% of cases closed.

TELSTAR JUNIOR HIGH REBELS

TAKE TWO FROM OXFORD HILLS
Coach Morton's Junior High Base-

Wednesday, June 3, at the Bryant
Pond Field. Larry Winslow pitched
a no-hit ball game for 5 1/2 innings,
but needed relief from Ray Juhl.

Juhl gave up one hit in 1 1/2 innings
to end the threat. Winslow also got
the only Telstar hit. Credit with
the win, Winslow struck out 5 and
walked 5. Juhl, with a save, struck
out 4 and walked 2.

The Oxford County Commissioners, at a special meeting Wednesday evening, endorsed incumbent Sheriff Stanley Haskell for reelection. In taking this unprecedented bipartisan action the County Commissioners put themselves squarely behind Sheriff Haskell. The Commissioners feel that his 23 years in law enforcement and fine record as high Sheriff of Oxford County over the past three years make him eminently qualified to carry on his good work.

In fact, it wasn't Sheriff Haskell's experience but rather the lack of experience by the other two candidates that prompted this action. They do not have the background that one would expect to manage a budget of almost one hundred thousand dollars. More important than money though is good law enforcement, and this we feel will not come to pass if unqualified people are elected. So we, the County Commissioners of Oxford County, strongly urge you to vote for Sheriff Stanley Haskell on June 15th.

GREENWOOD CITY

Mrs. Colista Morgan, Corres.

We counted ourselves more fortunate than most for on Monday we were invited to take, "The Trail of the Orchids," the lady's slipper.

It threatened rain and occasionally sprinkled but we didn't mind for at our feet the beauty of each wild flower lighted its own ground.

We were prepared for mosquitoes and flies but found none, much to our surprise and joy. Why, we do not know for in places where the yellow lady's slippers grew it was really swampy. But who could think of wetness with groups and groups of so rare a flower before us. The long, wavy, brownish petals gave the flowers an alert startled look when surprised in their lonely hiding places. We traveled to spot after spot of these lovely things.

Our guide had promised us a surprise. We had it when she took us to a little pond up among the ledges. I had never dreamed one would be there. In the background there was a steepness among the foothills reaching to the darkness of the forest.

Across the water on the very edge stood an old stump with a hole in the side where the chickadee had built its nest.

From here we followed a trail to the "home" of Pink Lady's Slipper; twenty-seven in one group, perched like birds on a bank.

"Graceful and tall the slender, drooping stem,
With two broad leaves below,
Shapely the flower so lightly
poised between,
And warm her rosy glow."

(Elaine Goodale)
A whole list of imaginative names has been invented for this lovely orchid: camel's foot, old goose, Noah's Ark, whip-poor-will's shoe, and moccasin flower. The several allusions to foot, shoe, slipper and moccasin, refer to the round inflated sac of the blossom called the lip. Although near to the main highway they were, luckily, well shielded from view.

Another trail led us in search of the white lady's slipper. We found one nearly pure white which brought up the question, "Is there a true white or does the pink change to white?" I can find no information on it in my books except this sentence "I found it (pink) growing vigorously in almost open swamp but nearly colorless from excessive moisture." This one was on dry land.

The showy slipper did not grow in this section. To have seen the slippers alone would have been a treat but to have had a guide with much enthusiasm and a chance to view the many other flowers, birds, trees and ferns we were indeed grateful.

The maidenhair fern I had never seen and it was lovely and different. As the seven of us left the forest a few sprinkles drifted across the waves of green grasses and the perfumes of a hundred spicy plants rose in the shimmering mid-day air.

Under the gray sky there was an alluring hint of the still more glorious unknown wilderness beyond with its hidden beauties protected from man.

IN LOVING MEMORY OF ELLA H. COLE

Dear Sis, Our God has called you Home. Because He knew you needed rest. You're sadly missed by loved ones here.

But surely God knew what was best. We saw as you approached the gate You turned and smiled, then waved your hand.

You begged us not to mourn your loss Then you crossed to the promised land.

With tear dimmed eyes we watched you go To join your loved ones gone before. And someday He will bid us come To be with you forever more.

TAKE CHILDREN TO THE DENTIST EARLY

It is a natural reaction of young and old alike to be afraid of the unknown. Once exposed to a situation this fear will most often diminish or disappear altogether.

At about three years of age, it is a good idea to take your child on a "visit" with you to the dentist. Try to make it when you are just scheduled for a checkup or cleaning rather than some work. Your dentist will let the child sit in the chair for a few moments. Then, when you take the child for his first examination he will have much less fear. Discuss this with your dentist beforehand.
